FALL/WINTER

Owen Henry, Mayor
Christopher Marion, Business Administrator

Message from the Mayor...

It is my pleasure to present to you to the Fall/Winter Brochure for the Old Bridge Township Department of Parks and Recreation. Under the direction of Thomas Badcock, the Department of Parks and Recreation is committed to providing exciting recreational opportunities for residents of all ages.

Each year the Department of Parks and Recreation offers a variety of exciting activities and events including sport activities, dance, aerobics, arts and crafts, Old Bridge Day, Halloween “Spooktakular” and the Christmas Tree and Menorah lighting.

Mayor, Owen Henry

As the weather turns colder and we look forward to the opening of the ice arena, I am pleased to report that the Township will continue to partner with the Old Bridge Board of Education to offer ice skating sessions to all of our Old Bridge students as a class trip. Each year I especially enjoy skating with our elementary, middle school and high school students; their energy and enthusiasm is contagious!

In conclusion, I would like to recognize and thank all of our volunteers and employees who help to make all these programs possible. Please feel free to contact the Department of Parks and Recreation for further information or any questions you may have.

Message from the Director...

Dear Residents:

On behalf of the Department of Parks, Recreation, and Social Services, I am pleased to present the Fall 2015 Program and Activity listings. Our professional staff has done a marvelous job of preparing a wide range of programs and activities to suit everyone’s interests. I’d like to take a moment to welcome Brienne McManus, our new Program Supervisor, to our qualified staff. Brienne, a graduate of Centenary College, did an exceptional job this past summer during her first experience running the Summer Camp Programs.

Over the Summer, the Department has completed a number of capital improvements to our Park System. The old playground in Geick Park has been replaced with a new modular play structure, swings, and climbing units, as well as a safer surfacing product. Also, a new sport court surface has been installed on the two Geick Park basketball courts and new split rail fencing has been installed around the sport court’s perimeter.

The John Piccolo Ice Arena is currently undergoing improvements to install new roofs on all flat roof areas, as well as to replace the old ice refrigeration system cooling tower. Both projects will be completed prior to the Fall skating season. New capital improvement projects being recommended for funding in 2016 include Phase II of Mannino Park and a public golf driving range on Lambertson Road. Currently, we are working with consulting engineers/architects on conceptual plans and cost estimates for both projects.

We hope you take the time to visit our many Parks and Facilities this Fall. Have a safe and happy Fall season.

Yours in Recreation,

W. Thomas Badcock
Director
Department of Parks, Recreation & Social Services

APPLE FESTIVAL

SUNDAY, NOVEMBER 8, 2015

Civic Center 12:00 PM - 4:00 PM

**Come celebrate the 50th anniversary of the APPLE FESTIVAL
Sponsored by; The MADISON TOWNSHIP HISTORICAL SOCIETY.**

The event has been held at the Old Bridge Civic Center since it was built in 1977, Jayne Staeger and Karen Moffet the original coordinators of the apple festival held it at the Browntown School during its commencement. Old Bridge Township had been famous for apple growing in the early 1800's. Two important apple growers were the Cottrell and Hauser families. The Cottrell family built their farm in 1831 apples that could not be used because of poor quality were sent to the distillery located on the corner of Cottrell Road and Route 516 (where Rite Aid is now), The brandy would age in barrels in a government warehouse that was located on the Cottrell's property and made them famous for BROWNTOWN APPLEJACK BRANDY. At the present time John Hauser of Hauser Hill Farm is the only active grower.

The Apple Festival consists of crafters, vendors, re-enactors and of course handmade apple pies. All apples donated by John Hauser. Come and sit a while and share some memories. I think you may even see Mary Todd Lincoln as portrayed by Judi Cox. Local school children will be participating in the Annual Poster Contest. Let's see who the winners are.

Admission is free; for more information call Pat 732-566-5029.
